## Mobility for All

In 2000, The Wheelchair Foundation and its founder, Ken Behring, embarked on a mission to bring mobility to every child, teen and adult in the world who needed a wheelchair but could not afford it. Each donation of \$150 will bring hope and independence to those deprived of mobility by war, natural disaster, disease, birth defect or advanced age. To date this non-profit organization has helped deliver wheelchairs to over 800,000 people in 153 countries.

Thanks to the generous contributions from last year's event, the Drive Fore Mobility 8th Annual Golf Invitational raised over \$100,000 which brings the total donations from this tournament to over \$1,500,000. We thank you in advance for your continued support and look forward to your participation in the event at Blackhawk Country Club this August 16

## Team Wheelchair 2010
